

# BUS BINGO!

Print this game from your computer and distribute to your students for the bus ride to the Center.

From the bus window try to find any of the places or things in the boxes below. Put an **X** in the box when the object is seen by at least two people. Keep your eyes open and good luck! Show the naturalist at the Science Center how you did!

Stream	 <p>Flag</p>	 <p>Crow</p>	 <p>Boat</p>	 <p>Squirrel</p>
Bush with flowers or berries	 <p>Horse or cow</p>	 <p>Truck with logs or lumber</p>	 <p>Bird House</p>	 <p>Small Bird</p>
 <p>Gull</p>	 <p>Rock or cliff taller than a bus</p>	 <p>Marsh</p>	 <p>Birch Tree</p>	 <p>Police Car</p>
 <p>Fire Station</p>	 <p>Fallen Dead Tree</p>	 <p>Pine Tree</p>	 <p>Traffic Light</p>	 <p>Cat or Dog</p>
 <p>Tree Stump</p>	 <p>Cattails</p>	 <p>Pigeon</p>	 <p>Church Steeple</p>	 <p>Lake</p>

Put a circle ○ in the box of things you saw which are alive or were once alive.

Put a check ✓ in the box of things you saw which are not and will never be alive.

Underline the things you saw which are natural (not made by humans).
